

# Volunteer Forum | CRM Update

12<sup>th</sup> October, 2023

Paul James, Head of Membership

# IPEM's CRM Project

---

- Currently undergoing a project to upgrade our CRM, moving to a cloud-based platform
- The current CRM has been in place since 2015, with this project underway since 2021
- Target launch date of Q4 2023, with plans ongoing for future updates and releases
- Goal of the project is to create frictionless experiences for members and volunteers

# New Functionality for Members and Volunteers

---

- Improved application processes, reducing time and resource required to process these
- Greater data collection in a secure, compliant manner
- Improved Committee engagement and governance
- Improved functionality for volunteers engaged with IPEM on projects and tasks
