

# IPEM news

**August 2018**

President Mark Tooley is currently on a charity cycle ride across the UK and so there is no blog from him this month.

## Clinical Technologist lead

We are looking for an enthusiastic clinical technologist to take on the newly created role of Clinical Technologist Training Scheme Lead. The closing date is 14 September.

[APPLY HERE](#)

## Radiotherapy manifesto launched

A cross-party manifesto calling for increased investment in radiotherapy provision has been supported by IPEM.

### Ebooks success!

The first two ebooks in IPEM's series with IOPP have been downloaded more than 12,700 times, with individual chapters downloaded more than 14,000 times. Readers come from 50 different countries; and 266 institutions have also downloaded the texts.

### Charity concert

Tickets are on sale for the IPEM members' concert in York on 18 September. Why not come to the FREE Members' Day of MPEC this year, and take in the concert in the evening, to hear members playing and singing to raise money for the Little Linac project?

## Book now

There is still time to book your place at this year's MPEC 2018 in York. Starting with the free to attend Members' Day on 18 September you will get the chance to take part in some fascinating sessions around innovation and leadership, as well as discuss MPE or the Engineering Standards Review. There will also be the IPEM question time (email your questions in now!) and the Woolmer Lecture, which will be given by Prof Alison Noble. And don't forget - there is a jam-packed social programme as well!

### Return to Practice

If you trained as an allied health professional (AHP) or a healthcare scientist (HCS) but have since left the profession, Health Education England is running a Return to Practice programme to help you re-enter and gain your Health and Care Professions Council (HCPC) registration.

### Engineers Week

To support Tomorrow's Engineers Week 2018, the organisers want to hear from as many members of engineering organisations as possible to show the impact of the work engineers do by completing a short survey.

### Autumn meeting

The BNMS Autumn Meeting 2018 will be a joint meeting with the INMA (Irish Nuclear Medicine Association) and will be held on 19 November in Dublin. Abstract submissions for the meeting are still open (posters only) and will close on 1 September.

### Brokerage scheme

### Webinar series

### Communities of Interest

Can you offer a visit or placement, long or short, to someone interested in a career in medical physics or engineering? If so, sign up now for the IPEM brokerage scheme.

We are looking for topics of national/international interest for a new webinar series. Please send your ideas to IPEM by clicking the button below and put 'Webinars' in the subject line.

The Communities are coming! Click below for a video from the company providing the software platform, and a preview of how it works.
