

IPEM Elected Representative to the Register of Clinical Technologists (RCT) Management Board

Term of Office	3 years, representative may serve additional terms of office at the discretion of their professional body
Meetings	There are generally three scheduled panel meetings per year which panel are expected to attend. These are normally held at the IPEM offices in York and occur in October, February and June.
Why volunteer?	<p>Sharing your professional knowledge, enthusiasm and personal time means we can work together in promoting the RCT's aim of protecting the public by advocating statutory, professional regulation for Clinical Technologists..</p> <p>It is a great way to build your professional network, meet like-minded people and also gain exposure to new ideas and opportunities you may not have exposure to elsewhere.</p> <p>This can be personally fulfilling, help you plan and achieve next career steps, and of course contribute to shaping IPEM's technologist activities during your tenure and beyond.</p>
Where does this role fit in?	This is an external role, you will be representing IPEM as a member of the RCT management board.
Who can apply?	<p>Desirable experience, skills and attributes are listed below.</p> <p>This role is suitable for any IPEM member with the desired skills and attributes.</p> <p>Different workplaces (industry, academia, NHS, private etc.) and all training backgrounds are welcome, including unique career pathways.</p>
Examples of work	The members of the panel will contribute towards the policies, procedures and principles which are part of the operation of the Register and contribute to the overall direction of the Register.
Time Commitment	There are generally three scheduled panel meetings per year which panel are expected to attend. Communication via email or Teams is conducted as and when required. We don't anticipate the commitment to exceed one hour per week on average.
What you get out of it	Help develop the careers of those within the same profession through recognition and feedback of those applying for professional registration
Support available	Staff support at the IPEM national office, as well as support from peers on the management board.
