

Guidance and further information: The Spiers' Prize for Outreach

The Spiers' Prize for Outreach is awarded in memory of Professor F W Spiers.

1. The Spiers' Prize for Outreach is open to all IPEM members, from both UK and overseas. The closing date for applications is normally 30 April.
2. Applicants or nominators must complete the application form and submit evidence to show how he/she has raised the profile of medical physics and Engineering. This could be, for example, organising a local open day, talking at a school or careers fair.
3. The Prize is awarded to any member who can demonstrate how they have improved education or raised awareness of Medical Physics and Engineering. The target audience for outreach is members of the public (for example, school children, adults, patients) but excludes fellow professionals and government agencies. Examples of outreach might be educational activities (demonstrations, workshops, books, videos etc) aimed at and/or involving children and/or adults. One Spiers' Prize for Outreach is awarded each year.
4. The name of the prize winner will be announced in the Newsletter and on the website in August. All unsuccessful applicants/nominators will be notified by email.
5. The Prize winner will be invited to the awards ceremony at the Science, Technology and Engineering Forum, usually held in September, to receive the award from the IPEM President.
6. Rewards
 - £300 personal award
 - A certificate
