

Volunteer Forum Science Leadership Day

Jen Cannon – Professional Knowledge & Innovation Manager

Science Leadership Day | 29th September

• Volunteer's Day

- 63 volunteers attended to discuss how IPEM can tackle issues identified in the Science Leadership Strategy
- Exploring what the world will look like in 2040

• Interactive workshops

- 'Futures thinking' workshops facilitated by SAMI Consulting
- Exploring what IPEM can do to tackle the Grand Challenges in 2040

Science Leadership Day | 29th September

• Idea generation

- Delegates were asked to make 'offers' and/or 'requests' for IPEM activity to help tackle the Grand Challenges

• Common ideas

- 'Soft skills' training i.e. for communication, lobbying, influencing
- 'Green' prizes and awards
- Panel of futures thinkers
