

TACKLING CHALLENGES TOGETHER

TUESDAY 28TH FEBRUARY & WEDNESDAY 1ST MARCH 2023

Day 1 - Tuesday 28 February 2023							
	Auditorium C	Auditorium B	Auditorium A	Rooms 4 & 5	Room 3	Foyer & Exhibition Areas	
Specialty	Radiotherapy	Imaging / Radiation Protection	Engineering	Education / Professional	Demo Area	Drop-in sessions	
0800 - 0900	Arrival & Registration						Registration
0900-1030	G1 Opening Keynotes		Welcome: STEF Theme - "Tackling challenges together" Advancing Clinical Engineering John Mallard Lecture: Adaptive Radiotherapy and AI		Radiation Monitoring Unit Demo and Walk-through (UKHSA)	Exhibitors: IPEM IoP Publishing* LANDAUER Oncology Systems RaySearch UK Ltd PTW Southern Scientific UKAS Varian Xiel <i>*hosting Peer Review excellence taster workshops</i>	
1030-1100	Morning break						
1100-1230	RT1 Adaptive radiotherapy	IR1 MR Updates 1 (HF, LF MRSE) (MRI 1)	EN1 Medical Asset Management: ISO 9001 vs IEC 55001 vs BS 70000	EP1 Medical Device Regulations including SaMD			
1230-1330	Lunch, Networking, Exhibition						
1330-1500	RT2 Proton therapy & Translational Research	IR2 Radiation Monitoring Unit (RMU) Scientific Session	EN2 Body Temperature Measurement	Room 4 D1: Sustainability Room 5 D2: Big Data and AI			
1500-1530	Afternoon break					Proffered Posters	
1530-1700	G2 Awards and Keynote		Woolmer Lecture: Communicating Science Awards and Presentations				
1700-1800	Industry Showcase – sponsored by Varian Wine Reception Networking						
1815-1945	Civic Reception, Glasgow City Chambers						

TACKLING CHALLENGES TOGETHER

TUESDAY 28TH FEBRUARY & WEDNESDAY 1ST MARCH 2023

Day 2 - Wednesday 1 st March 2023					
	Auditorium C	Auditorium B	Auditorium A	Rooms 4 & 5	Foyer & Exhibition Areas
Teaching Sessions					
0800 – 0900	T1 Publications Workshop - Elsevier	T2 Radiation Protection - Regulation Refresher		T3 Physics of Life: Future drivers of physics and engineering in the clinic	Registration
Specialty	Radiotherapy	Imaging / Radiation Protection	Engineering	Education / Professional	Drop-in sessions
0900-1030	RT3 Molecular Radiotherapy and Brachytherapy	IR3 MR Updates 2 (MR-Linac, MR-PET, MR & COVID) (MRI 2)	EN3 Clinical Safety of Healthcare IT Systems	EP2 Workforce for the Future - different career paths.	Exhibitors: IPEM IoP Publishing* LANDAUER Oncology Systems RaySearch UK Ltd PTW Southern Scientific UKAS Varian Xiel <i>*hosting Peer Review excellence taster workshops</i>
1030-1100	Morning break				
1100-1230	RT4 Artificial Intelligence (AI) in Radiotherapy	IR4 Classified workers in Nuclear Medicine	EN4 Addressing the Challenges in Rehabilitation Engineering	EP3 HSST IAPS Preparation	
1230-1330	Lunch + vendor presentations				
1330-1500	1315-1500 RT5 Advances in Dosimetry <i>Sponsored by PTW</i>	EP4 Early Career Presentation Session, including structured feedback	EN5 Governance of AI	EP5: Future Workforce - Training Routes	Proffered Posters
1500-1530	Afternoon break				
1530-1700	G3 Closing Session Best presentations of STEF What next? Capturing the big questions. Closing Thoughts
